Notice PS-562

For: State and County Offices

New eLDP Web-Based Training Tools

Approved by: Acting Deputy Administrator, Farm Programs

1 Overview

A Background

PSD has developed a new eLDP web-based training tool to assist State and County Offices in learning more about using eLDP software.

This new web-based training tool contains several audio/visual modules designed to assist in the learning process by demonstrating step-by-step how to:

- create customer profiles
- change customer profiles
- add applications
- correct applications
- use the bin calculator
- record production evidence.

B Purpose

This notice informs State and County Offices of instructions for accessing the new eLDP web-based training tools.

C Contact

For questions or situations **not** addressed in this notice, State Offices shall contact Laura Schlote, PSD, by either of the following:

- e-mail at laura.schlote@wdc.usda.gov
- telephone at 202-720-7785.

B Future Modules

PSD is currently developing several additional eLDP and eLDP-related modules that will be available soon.

3 Action

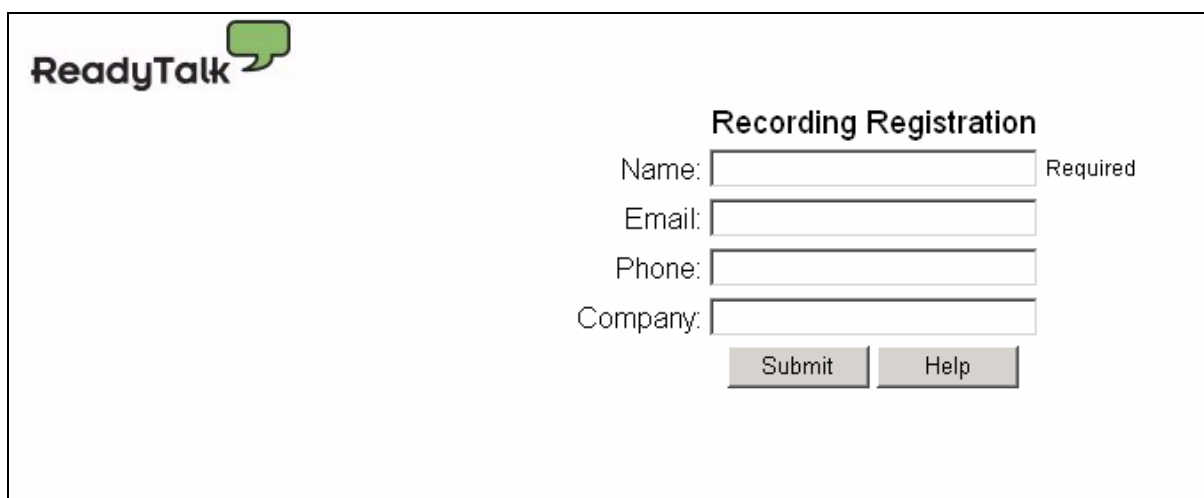

A Playback Requirements

eLDP modules require Flash, version 6 or higher, before the modules can be viewed.

County Offices experiencing trouble viewing the modules shall download Flash or go to **www.macromedia.com** to manually install Flash.

B Viewing the Modules

Each time a module is selected the following screen will be displayed. Enter only users name to continue and click “Submit”. The module selected will begin to play.

The screenshot shows a web form titled "Recording Registration" with the ReadyTalk logo in the top left. The form contains four input fields: "Name:" (with a "Required" label), "Email:", "Phone:", and "Company:". Below the input fields are two buttons: "Submit" and "Help".

C Additional Instructions

Additional instructions on viewing the modules can be found at **<https://www.callinfo.com/help/ArchivePlaybackInfo.html>**.
